

National Do-Not-Call Registry

The National Do-Not-Call Registry has been established to offer you a choice about receiving telemarketing calls at home. Registering will stop most telemarketing calls but it will not stop calls from certain non-profit and political organizations and calls from organizations with which you have established a business relationship.

Consumers can register their residential telephone numbers, including wireless numbers, on the National Do-Not-Call Registry by telephone or by Internet at no cost. The number will be on the Do-Not-Call list the day after registration; however, telemarketers have up to 31 days to remove the number from their call lists. You may register up to three numbers at one time if registering on the Internet. If registering via telephone, you can register only one number at a time and you must call from the telephone number you are registering. A number can be removed from the Do-Not-Call Registry at anytime.

To register or remove a number from the Do-Not-Call Registry call 1.888.382.1222, for TTY call 1.866.290.4236 or register on the Internet at www.donotcall.gov. Additional information can be obtained at www.donotcall.gov.
